November 10th, 2018 - The New Palaces of Medieval Venice is beautifully produced with generous illustrative materials including plans views historic photographs and numerous close ups of architectural details Profoundly changing a sense of the architecture of medieval Venice it will clearly be a touchstone for work in the field for many years to come

The new palaces of medieval Venice worldcat org

October 26th, 2018 - The medieval palaces of Venice are unlike those from anywhere else and they also survive in this equally unique city in far greater numbers This well presented study argues however that contrary to other opinions the architecture of Venice was developed from that of northern and western Europe and not from that of Byzantium and Late Antiquity
